Education

Vellore Institute of Technology <i>Integrated M.Tech in Computer Science & Engineering</i>	2021 - 2026 8.14/10 CGPA
Vignan Co-Operative Junior College <i>Class XII</i>	2019 - 2021 76.8%
QIS Public School <i>Class X</i>	2009 - 2019 53%

Technical Skills

- **Languages:** Python, MySQL, R
- **Libraries/Frameworks:** Matplotlib
- **Relevant Coursework:** Data Visualization, UI/UX
- **Developer Tools:** VS Code, GitHub, Figma, Power BI, Tableau

Projects

FIFA World Cup Dashboard	Source Code
<ul style="list-style-type: none">– Developed an interactive Tableau dashboard to visualize FIFA World Cup statistics with dynamic filters and insights.– Integrated datasets covering match results, team performances, player stats, and historical trends.– Enhanced data-driven decision-making with intuitive visualizations for team comparisons and top player analysis.	

Cricket Data Analysis	Source Code
<ul style="list-style-type: none">– Developed a Cricket Data Analysis project focusing on data visualization and strategic team selection.– Analyzed player performance metrics using statistical insights and interactive dashboards.– Created an intuitive dashboard to visualize key performance indicators, aiding in optimal team selection.– Utilized data-driven insights to curate the ultimate playing XI for a world-class T20 cricket team.	

Farm 360	Source Code
<ul style="list-style-type: none">– Designed an intuitive UI/UX for a farmer-centric app facilitating interactions between farmers, buyers, mechanics, and experts.– Developed wireframes, user flows, and high-fidelity prototypes using Figma to enhance usability and accessibility.– Conducted user research and usability testing to identify pain points and improve the overall user experience.– Integrated key features like community chat, market price updates, weather insights, and multiple request functionalities.	

Achievements

- Designed and developed **3+ professional UI/UX projects** using **Figma**, enhancing user experience and accessibility.
- Conducted **user research and usability testing** to improve design efficiency and user engagement.

Interests

- Artificial Intelligence, Data Science, UI/UX Design, Reading, Music

Languages

- **English:** Proficient, **Telugu:** Native
